

Saphiion offers advanced 12V lithium LiFePO4 batteries, supports Bluetooth and UART or RS 485 communication features, enclosed in robust IP65/IP67 waterproof.

The increase in power elevates the performance of the entire M12 system. The lithium-ion battery delivers fade-free power and runs substantially cooler through demanding applications, allowing you ...

"I picked up a couple batteries and a charger from these guys about a year ago now. Super high quality and easy installation in an older electric golf cart. Would definitely recommend and use again."

Lithium-Ion modules and carry case kits offer high performance power in a lightweight form, compared to our LiFePO4 Modules and Carry Case Kits. They have multiple output options to increase usability in ...

The 12V 12 amp hour battery Pack LRL1212 is a compact, high-performance LiFePO4 lithium battery designed as a reliable drop-in replacement for lead-acid, SLA, AGM, and GEL batteries.

Upgrade your 12V power setup with LiTime 12v batteries built on reliable LiFePO4 chemistry. Each 12v lithium battery delivers steady voltage for RVs, boats, trolling motors, off-grid solar, golf carts, and ...

This 12V lithium battery is specifically designed for children's electric cars. Housed in a durable lead-acid style case, it provides safe and reliable power for young riders.

The PowerBrick 12V can be connected in series (up to 4S) and in parallel (up to 16P) to achieve operating voltages of up to 48V and unmatched capacity and power.

Discover premium 12V lithium-ion battery packs designed for wholesalers, installers, and traders. Flexible customization options available to meet diverse needs. They are known for their high energy ...

TalentCell 12V Power Bank, Rechargeable 12V 3000mAh DC Output Lithium ion Battery Pack with Charger for LED Strip/Light/Panel/Amplifier and CCTV Camera, Compatible with Spectra ...
