

Australia Modular Energy Storage Unit 150kW

Built for Australia's harshest conditions and engineered in-house at our ...

Fully insulated, temperature-controlled and designed to survive the harsh Australian conditions; our BESS and teams have a proven track record of successfully deploying BESS units in remote outback ...

Highly efficient, easy-to-deploy 150kW, 400V 3-phase UPS that brings best-in-class power protection and low total cost of ownership to edge, small and medium data centers, as well as to critical ...

Built for Australia's harshest conditions and engineered in-house at our Clean Energy Hub, this unit provides plug-and-play power for mining, construction, events and remote locations.

Aggreko's battery storage units are mobile, modular, and scalable to meet the evolving energy demands of your business. Single units can be combined into a powerful integrated energy storage system, ...

We'll help you determine the right Battery Energy Storage System based on power output and environmental factors to ensure efficiency and reliability. Contact our team today to learn more about ...

MEGATRON 50kW to 150kW systems can be paired with 50kW to 100kW's of PV. Each BESS has either 50kW or 100kW solar inverter integrated into the containerized system.

Looking for a reliable, modular, and scalable battery energy storage system? PowerPlus Energy has you covered. Our all-weather suited systems are made with readily accessible components and can be ...

Compact and light compared with traditional alternatives, these cutting-edge energy storage systems are ideal for applications with a high energy demand and variable load profiles, accounting for both low ...

Power up remote mine, construction, and industrial sites with our 150kW/225kWh energy storage systems and reduce fuel consumption and emissions by up to 85%. Designed to provide maximum ...

We're proud to partner with Zhiguang Electric, a global leader in energy storage. Together, we bring high-performance, liquid-cooled BESS solutions to the Australian market, certified and proven across ...
