

Who is the largest EMT training provider in Ireland?

QUESTIONS? CONTACT: @ESTI The largest EMT training provider in Ireland. The Emergency Services Training Institute is an Irish owned organisation and a Recognised Training Institute of the Pre-Hospital Emergency Care Council (PHECC). Currently we are the largest EMT training provider in Ireland.

What are the IAEM emergency department design guidelines?

The Irish Association for Emergency Medicine (IAEM) Emergency Department (ED) Design Guidelines aim to assist clinicians, government officials, health planners, architects and designers in understanding the key infrastructure components of a contemporary Emergency Department in Ireland. The purpose of this document is to:

Will Dublin Fire Brigades Support NI ambulance service in medical emergencies?

Dublin Fire Brigades' "Alpha 1" Tallaght Fire Station, DFB Ambulance "Delta 1" Rathfarnham Station and the Advanced Paramedic Unit from Tara St seen attending an EMS call in Liffey Valley Shopping Centre recently. A scheme which would see fire crews dispatched to support the NI Ambulance Service in some medical emergencies is being considered.

Do EMS stations need a specific space?

Carve out specific spaces for specific uses Of course any EMS station needs adequate sleeping quarters, bathroom facilities and locker/changing rooms for both men and women - but consider what other activities happen at your station that you may not currently have a specific place for.

EMS for the Irish Base Station Room What is a treatment area in an EMS Station? Treatment areas in EMS stations are designed with patient comfort and staff efficiency in mind. Rooms are spacious enough to ...
