

Nobel Prize recipient John B. Goodenough, a professor at The University of Texas at Austin, is world-renowned for the development of the lithium-ion battery.

He is credited with identifying the Goodenough-Kanamori rules of the sign of the magnetic superexchange in materials, with developing materials for computer random-access magnetic ...

The Li-ion class of batteries has been called one of the great inventions of human history--and core tenants of this technology can be traced back to the discoveries and inventions of ...

6 There was a man named John, who was sent by God.7 He came to tell people about the light. Through him all people could hear about the light and believe.8 John was not the light.

Dr. John B. Goodenough made history in 2019 by becoming the oldest Nobel Prize laureate at the age of 97, awarded for his groundbreaking work in developing the lithium-ion (Li-ion) ...

26 John answered them, saying, I baptize with water: but there standeth one among you, whom ye know not; 27 He it is, who coming after me is preferred before me, whose shoe"s latchet I am not worthy to ...

Goodenough and his colleagues developed the first lithium-ion battery, offering an unprecedented combination of high capacity and voltage, lightweight design, rechargeability, and a ...

32 Then John gave this testimony: "I saw the Spirit come down from heaven as a dove and remain on him. 33 And I myself did not know him, but the one who sent me to baptize with water told me, "The ...

Luke 24 John 2 New International Version (NIV) Holy Bible, New International Version&#174;:, NIV&#174; Copyright &#169;1973, 1978, 1984, 2011 by Biblica, Inc.&#174; Used by permission. All rights reserved worldwide. NIV ...

6 There was a man sent from God, whose name was John. 7 He came as a witness, to bear witness about the light, that all might believe through him. 8 He was not the light, but came to bear witness ...

4 When therefore the Lord knew how the Pharisees had heard that Jesus made and baptized more disciples than John, 2 (Though Jesus himself baptized not, but his disciples,) 3 He left Judaea, and ...

Explore the significant milestones in the life and career of John B. Goodenough, the pioneering scientist known for his contributions to the development of lithium-ion batteries. Delve into his educational ...

Footnotes John 8:28 The Greek for lifted up also means exalted. John 8:38 Or presence. Therefore do what you have heard from the Father. John 8:39 Some early manuscripts "If you are Abraham"s ...
