

What are the specifications of Trina 400W solar panels?

Trina 400W solar panels have a rated power output of 400 W, a voltage (VOC) of 41.1 V, and consist of 144 cells. They are monocrystalline and have a rated efficiency of 19.7 %. The connector type is T4 - MC4 compatible. The backsheet is colored white, and the frame is clear. The dimensions are 79.7" x 39.5" x 1.4", and the weight is 48.5 lbs. All Trina Solar 400W panels have these specifications.

What is a Trina Vertex S 400W solar panel?

The Vertex S 400W represents Trina's flagship residential solar panel, featuring cutting-edge 210mm wafer technology and 120-cell configuration. This premium model delivers 20.8-21.1% maximum efficiency with a compact footprint that maximizes roof space utilization. Key features include:

Are Trina Solar panels a good choice?

Trina Solar 400W panels offer competitive efficiency ratings ranging from 19.2% to 21.1%, placing them among the top performers in the market. The Vertex S series matches or exceeds most competitors, while TallMax models provide excellent efficiency at value pricing.

Who is Trina Solar?

As one of the world's leading solar manufacturers with over 25 years of experience, Trina Solar has established itself as a trusted name in the photovoltaic industry, delivering high-quality panels to over 60 countries worldwide.

[Trina 400W Vertex S Mono Crystalline Photovoltaic Solar Power Panels for Energy System Price, Find Details and Price about Tsm Good Price ...](#)

[Trina Solar 535W-555W Trina Solar 380W-400W Trina Solar 590W-620W Trina Solar 480W-505W Trina Solar 400-430W Trina Solar 390-405W Do you want to cooperate with us or do you have any ...](#)

Discover 400w Trina solar panels with 21%-23% efficiency, IP68 junction box, and TUV/CE certification. Ideal for commercial, industrial, and residential solar energy systems.

This project is one of the key agricultural photovoltaic power generation projects in Wanning City, making full use of the local barren slopes and abundant solar energy resources, transforming natural ...

[Trina 400W Vertex S Mono Crystalline Photovoltaic Solar Power Panels for Energy System Price, Find Details and Price about Tsm Good Price Solar Panels Trina Solar PV Modules ...](#)

Step into the future of energy with the Trina Vertex S 400W Mono Solar Panel, a premium photovoltaic module engineered to deliver maximum power density, space efficiency, and long-term performance.

Looking for reliable Trina Solar Module 400W? Discover top-rated, high-efficiency panels with 25-year warranties. Compare prices, specs, and verified suppliers. Click to find the best deal today!

Trina 400W PV Mod solar panel with TS4 Connector, PV Wire ~55", 35mm Clear ...

Introduction & Overview Trina Solar's 400W solar panels represent the sweet spot for residential solar installations in 2025, offering an optimal balance of power output, efficiency, and ...

Trina TallMax 400 Watt Mono Solar Panel, TSM-DE15H (ii)400M, clear frame, 144-cell panel offers a 19.7% module efficiency rating. Plug type is MC4, Max series fuse rating is 20AMP, 25 ...

Trina 400W PV Mod solar panel with TS4 Connector, PV Wire ~55", 35mm Clear Frame with White Backsheet. Look into detailed descriptions, ratings, reviews, pictures, and more at A1 SolarStore

Small in size, big on power Generates up to 400 W, 20.8 % module efficiency with high density interconnect technology
